*Indicates Eligible Providers with Unpublished CACO Scores. VRC providers and new branches must have at least 10 closures to have a published CACO score.

**Branch totals may not match exactly with the accumulative totals of the VRCs assigned to that branch. For statistical calculations, if a VRC has only 1 closure, it is only counted in the branch total and the VRC is not listed individually since one closure can not produce an average.

Completion Key: RTW-Return to Work, ATW-Able to Work, SAS-Further Services Appropriate, SNA-Further Services Not Appropriate, ADM-Admin Closures, MU-Medically Unstable (ADM + MU = Previous ADM)
